## DESIGN-LED LIVING IN DUBAI SOUTH

At Ellington, we believe a home is more than just a place, it's a reflection of who you are. For years, we've shaped design-led communities that elevate everyday living, places that inspire, endure, and feel deeply personal. With every new development, we continue to reimagine what it means to live beautifully in Dubai.

Now, we bring this vision to a new destination on the rise, Dubai South, a district defined by movement, promise, and purpose. Poised at the city's evolving edge, it's where open skies meet open possibilities, where connectivity and community come together to shape a new way of life..

Our newest residential project is thoughtfully crafted for individuals and families seeking more, more meaning, more connection, more soul in the everyday.

## **NOT JUST A PLACE TO LIVE, BUT A PLACE TO BECOME**

A dynamic destination where possibility meets purpose, and the future unfolds with grace. Windsor House is envisioned for those who seek meaning in every moment, a sanctuary where connection flows, creativity thrives, and quiet growth takes root.

Here, life is not just lived, it is beautifully composed. A place to begin your story, and to belong to something more. Framed by thoughtful design and surrounded by open space, Windsor House invites you into a rhythm of living that feels both intentional and effortless. Where mornings are calm, evenings are golden, and every corner holds a sense of home. It's a setting for your most authentic life, woven with care, rooted in warmth, and elevated by purpose.

# DUBAI SOUTH A BLUEPRINT OF THE FUTURE

Dubai South is the UAE's largest single urban master development, purpose-built as a fully integrated ecosystem combining logistics, aviation, residential, commercial, and retail districts. Anchored by Al Maktoum International Airport DWC, it's strategically positioned for optimized global connectivity via road, air, and soon, autonomous vehicles and air taxis.

Dubai South is centered on the vision of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai,

To build a **smart and sustainable city.**

To create an **inclusive and cohesive society.**

To become a **pivotal hub in the global economy.**

To become the **preferred place to live, work and invest.**

To become a **city of happy, creative and empowered people.**

## AVIATION DISTRICT AND AL MAKTOUM INTERNATIONAL AIRPORT

The Aviation District is set to become a global hub for the aviation and aerospace industry, featuring maintenance, repair and overhaul (MRO) facilities, aviation training centers, fixed-base operators, and a dedicated VIP terminal. It will also be the permanent home of the Dubai Airshow and the Middle East Business Aviation Show.

At its core, Al Maktoum International Airport is undergoing a **US\$35 billion expansion** to become the world's largest airport, **with five parallel runways, over 400 aircraft gates**, and a planned capacity of up to **260 million passengers annually**.

### Future Developments

- ▶—**MBR Aerospace Hub:**  
An integrated aerospace ecosystem featuring both airside and landside facilities for MRO, R&D, and hangars.
- ▶—**DWC Expansion:**  
DXB operations will be gradually transferred to DWC, with DXB set for closure around 2032–2034 .

## LOGISTICS DISTRICT

Planned as a world-class multimodal logistics hub, the Logistics District will serve as a key enabler for global supply chain operations. It will offer a mix of build-to-suit and ready-to-use facilities tailored for contract logistics providers, freight forwarders, integrators, and agents.

With direct airside access to Al Maktoum International Airport, the district is designed to streamline air cargo movement and support high-efficiency logistics operations on a global scale.

### Future Developments

► **Dubai Global Connect:**

Serves as a permanent, origin-neutral marketplace and exhibition platform for global buyers and sellers in industries such as food, fashion, and home furnishings.

► **Multi-User Logistics Hub:**

A new facility spanning approximately 215,278 sq. ft., featuring combinable, air-conditioned units in flexible layouts. Designed for SMEs, e-commerce firms, and freight forwarders.

## **BUSINESSS PARK AND COMMERCIAL DISTRICT**

The Business Park will evolve into a dynamic center for commerce, offering scalable office spaces for start-ups, small and medium-sized enterprises, and international corporations. It will be complemented by the upcoming Commercial District, envisioned as a vibrant urban hub featuring retail, hospitality, dining, and entertainment options. Together, they will create a thriving environment for business and lifestyle at the heart of Dubai South.

## EXHIBITION DISTRICT (EXPO CITY)

Building on the legacy of Expo 2020, Expo City Dubai is being developed into a smart and sustainable urban innovation hub. It will feature state-of-the-art office spaces, research and development zones, cultural institutions, and integrated residential and leisure components. Designed to attract future-focused businesses and global talent, Expo City will become a model for collaborative, clean, and connected city living.

### Future Developments

▶ **Dubai Exhibition Centre:**

An AED 10 billion expansion by Dubai World Trade Centre, aiming to become the region's largest indoor events venue.

▶ **Route 2020 Metro Line:**

Enhanced connectivity through smart transport networks, public spaces, and direct links to Al Maktoum International Airport and Jebel Ali Port.

## **GOLF AND RESIDENTIAL DISTRICT**

The Residential District is planned as a walkable, family-centric community offering a variety of homes from apartments to townhouses and villas, set within landscaped neighborhoods. It will include schools, parks, retail spaces, and community amenities that promote a balanced and connected lifestyle. The Golf District will be anchored by an 18-hole championship course, surrounded by upscale homes, wellness facilities, and leisure offerings. Together, the two districts will offer distinct yet complementary living environments within a green and active setting.

## **GROUND FLOOR AMENITIES**

The ground floor has been thoughtfully designed to enhance daily life and foster a vibrant, community-centric environment. Anchoring the space are 10 retail units, curated not only to serve the needs of residents, but also to welcome and support the broader neighborhood, creating a dynamic lifestyle hub beyond the development itself.

Each of the twin towers is graced with its own dedicated lobby, ensuring a seamless and welcoming arrival experience for residents and guests alike.

For convenience and wellbeing, Windsor House also features a dedicated dog park, providing a safe and joyful space for pets and their owners, along with an independent car wash bay, delivering added practicality for urban living. Acknowledging the importance of active, eco-friendly mobility, the development encourages cycling with ample provisions for bicycle use and storage.
